IN THE MATTER OF TENTATIVE
DECISION TO APPROVE A LARGE
MINING AND RECLAMATION PLAN
FOR GENEVA ROCK PRODUCTS,
CENTER CREEK MINE,
WASATCH COUNTY, UTAH

NOTICE OF TENTATIVE
DECISION TO APPROVE
NO. M/051/0013
---ooOoo---

Notice is hereby given by the Division of Oil, Gas and Mining of its tentative decision to approve the Large Mining Operations Notice of Intention for Geneva Rock Products, Center Creek Mine. Mining activities will affect portions of the following areas: Sections 24 and 25, Township 4 South, Range 5 East; and Sections 19 and 30, Township 4 South, Range 6 East, SLBM Wasatch County, Utah.

Reclamation surety will be provided to the Division for the proposed project disturbance. The operator will employ the following mining and reclamation techniques on approximately 64 acres of private land.

During Operations: Following topsoil salvage, rock will be drilled, blasted and removed in lifts about 50 feet deep. The material is removed to a processing area where it is crushed and screened. The operator will use various means to control fugitive dust and will obtain required permits from the Division of Air Quality. Appropriate gates and warning signs will be located at public access points and other locations. Deleterious or potentially deleterious materials will be kept in designated storage areas.

After Operations: When mining is complete, the site will be returned to a grazing and wildlife habitat postmining land use by removing all facilities, regrading remaining stockpiles across the pit floor, ripping the floor, distributing soil, and seeding.

Any person or agency aggrieved by this tentative decision to issue approval is hereby requested to submit written protest within thirty (30) days of the date of publication to Dana Dean, P.E., Associate Director of Mining, Division of Oil, Gas and Mining, 1594 West North Temple, Suite 1210, Box 145801, Salt Lake City, Utah 84114-5801, setting forth factual reasons for the complaint and if a hearing is desired. If no responsive written protests are received by the Division within 30 days after the last date of publication, the tentative decision of the Division will be final.
